OUR PURPOSE

Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity, and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

WELCOME TO DSP

MU OMEGA CHAPTER CORPORATE SPONSORSHIP PACKAGE

Dear Potential Sponsor,

On behalf of our chapter, we would like to extend our gratitude for considering this opportunity for the upcoming academic year. Through our emphasis on our pillars of brotherhood, professionalism, and service in everything we do, we are recognized as the most prestigious business organization on campus today. We strive to continue to grow in the success of our Chapter and believe this partnership can help us to reach new heights.

Through a sponsorship with our Chapter, we can help to strengthen the presence of your company on campus by serving as a liaison between our chapter, your organization and the School of Business at TCNJ. With over 70 active members representing diverse backgrounds and aspirations, this corporate relationship will also provide access to a number of driven and talented individuals.

We hope this package provides a glimpse into what our Chapter stands for and easily delineates our tiers of sponsorship and partner options. Please do not hesitate to reach out to us at tcnjdelatag2@gmail.com if you have any questions. Thank you!

Best,
Salvatore Cagnina and the Mu Omega Chapter
